“The **Rise Against Hunger** event was a huge success on Sunday. So many volunteers and a ton of churches and organizations were represented. It always fills my heart to see people actually working together and this was a beautiful example!

We were able to do 20,000 meals in two hours! Each box of 198 meals represents a years’ worth of school lunches for a child in need. These were shipped to the Caribbean. That was powerful for my kids to understand. A cup of rice, a cup of soy, 1/8 cup dehydrated vegetables and a flavor/vitamin pack was likely all these children would eat in the entirety of a school day. No meals at home.

The event was well organized and had a fun atmosphere, with opportunity for fellowship. So thankful we went! “ (As reported by Brit Chambers, MPC)

Stone Chambers and his 4H Food Competition team. Their last competition of the year was in April, where they competed at the Rockingham Fairgrounds and won 3rd place. Their coaches, Bonnie Botkin and Ben Hindman, did a great job with this amazing group of kids!

Pictured with Stone are fellow team members; James Mason, Savannah Cabral, and Haassah Will.
