WE WILL SOON HAVE A NEW eNEWSLETTER

The Beulah and Monterey eNewsletter was started as a way for MPC to stay in touch with members of their church family who had moved away, or didn't live here year round. It really took off during Covid when both of our churches weren't holding in-person services. Since then, we've added a number of folks to the mailing list who don't live in Highland County, or they are homebound. I've enjoyed the feedback I've gotten from you over the years, and the help with pictures and information that some of you faithfully provided.

I'm at a place in life where I'm not able to keep up with the newsletter and rather than abandon it completely, Elizabeth Lohr-Myers has agreed to take it over, starting with the October edition.

That is wonderful news because she is a wonderful writer and graphic designer and we will all look forward to what she produces.

Please continue to send information and pictures to Elizabeth at elmviola@gmail.com.

Normally the September eNewsletter is filled with Fair and Back to School photos. If you miss them, let it be a reminder to send pictures to Elizabeth for the October edition.
